

Helping Hands

February, 2012

Things Every Volunteer Needs to Know and Do:

Please be **ON TIME** – Punctuality is very important for children and other volunteers!!

- Security Tags: Every child should have on a name tag printed at a kiosk or a first time visitor name tag. If not, KINDLY send them back to the kiosk or welcome desk.
- ALWAYS ask the adult picking up the child to give you their security number. If they do not have one, kindly send them back to the welcome desk for clearance. Please do this, even if it is your sister or best friend.
- All volunteers should check in at a kiosk and wear the name tag so parents will know who you are.
- There is a planned project to do with the children that goes along with the Bible lesson. If you volunteer at 9:00 there will be a black plastic container with the lesson in it and if you are scheduled at 10:30 it will be in a red bin.
- 1. *Bible story* – Please ALWAYS read the Bible story to the children.
- 2. *Project* - a simple project with directions and all supplies. Please do this as you talk about the Bible story.
- 3. *Clean Up* – Please help us keep our preschool rooms in good order by helping children clean up the room appropriately. Clean up time should be a learning time. Help them place the toys in the proper places, not all piled into one container. You will find “clean up” suggestions in the “red bin” also.
- Diaper changing policies are posted over every changing table. Please follow them.

Thank You for Serving

You will bless others and be blessed as you serve.

We love and appreciate you!
